

Pinot Noir

Terroir 2021

Pinot Noir Terroir is a multi-layered, elegant and sophisticated concert-piece of fruit and nobility, reflecting its origins on the Leithaberg.

Medium garnet red blended with soft brick-red tones, the wine releases a fruit-forward intense aromatic arc of earth and raspberry and wet stone, announcing its complexity.

The roasted aromas, already quite prominent in the nose, follow on to the palate, where the wine continues its fine interplay between strawberry, raspberry & redcurrant.

This panoply of fruit flavour is complemented with meaty tones reminiscent of delicately cured prosciutto. The pleasure on the palate is followed by a long and elegant, but firm and concentrated finish.
